

BCA is a non-profit parachurch ministry established in 2015. We are a state-wide biblical counseling ministry with trained, certified counselors. We desire to bring biblical counseling to the community and see the Lord become the anchor for broken people. We are partnered with several churches as well as schools. Our counseling includes individuals; all ages and stages, marriages and families.

Ultimate truth comes only from the Bible. It's true every second of every day.

"Can the Word of God really help my child with fears and anxiety?" Yes!

What do BCA Counselors do?

When a crisis hits, BCA counselors are here to help you. We counsel from our own relationship with Christ and experience of need. We provide a safe haven and even better, a compassionate, listening ear. The temptations, sin and suffering of this world, are common to us all. We bring confidence in Christ alone, not techniques, formats, formulas or a step system. We watch the Lord reveal Himself to you, and orient you to the ways of Jesus. We have formal training, certifications, degrees and years of experience in biblical counseling to help you.

BCA has offered a discounted rate of \$50 per session for students and staff of Faith Christian School.

To get started with their services and take advantage of the discounted rate, please follow the steps below.

1. Please register your student at biblicalcounselingaz.org. The last question on the first page of the registration forms asks, "Is there anything else you'd like us to know". Please use that box to indicate your affiliation with Faith Christian School.
2. A parent or legal guardian affiliated with Faith Christian School must fill out the [Parental Consent Form](#) in order to receive the discounted rate of \$50 per session.
