

# WHAT YOU NEED TO KNOW

## — to start the school year —

### WELCOME!

We are so excited for this upcoming year! and seeing all God will do in the lives of our students! It is our great joy and privilege to disciple students while encouraging them to reach their highest potential in the arts, in academics, in athletics, in their social interactions, and in their walk with Jesus. Thank you for trusting us with your children this year.

### MATTHEW 18 PRINCIPLE

Please use the Matthew 18 principle for resolving any differences. Always begin with the teacher before contacting the principals for any issues in the classroom. Reach out directly to the person who has caused you offense. Avoid gossip. We believe that Biblical resolution is best and will ultimately honor God when people are restored to harmony and unity.

### CLOSED CAMPUS

FCS is a closed campus. Students may not leave the campus before the end of their day without being signed out by their parents. All visitors must check in at the office.
